Richard J. Barlow presented some maps and information concerning the flood plain right of way.

Mayor Barlow

Jethro Barlow presented some issues he could see with some of the lots shown on the maps.

Jeff Vaughn with Garkane Energy asked about moving the proposed channel to the west ten or twelve feet to accommodate the power truck.

Brian Zitting gave some history regarding the Willow Street channel and suggested a concrete channel.

Dean Cooke stated that he liked the idea of a road that's wide enough to run a skid steer down.

Jethro Barlow mentioned that water coming from the south needs to be considered as well as water coming from the north in the Canyon Street issue.

John Barlow mentioned that he was there when the flood came through. The debris was the largest issue. He asked what would happen when the new system is clogged with debris.

David Stubbs asked if he could take his loader up to water canyon and clean up some of the debris. Mayor Barlow stated that it was not city property.

**Carlos Jessop moved to close the public hearing.
